PRINCIPAL'S REPORT

Kindergarten Orientation

We are looking forward to welcoming our 2017 Kindies this Thursday morning. There is still time to enrol, but make sure you tell anyone you know who is thinking of enrolling to make sure they do so quickly, so as not to miss out on the opportunity to settle in at big school.

Congratulations Mia!

Mia did a great job to win the writing competition held last term in the S8 schools for Stage 2. The whole senior class worked hard to learn about drama, filming and editing, and Mia's movie was chosen as our school's entry. The schools then watched each other's entries and voted. Fantastic work, Mia! If you haven't seen the movie, you can check it out on our facebook page.

Website

Take some time to check out the website. Every now and then I find a spare moment to upload photos and news items and there are some new ones available for viewing now. There are some Ekka highlights in there.

Swimming

Our swimming program starts next Monday 17 October. If you haven't returned your note, there is a spare one attached to this newsletter. It is essential that payment is returned by tomorrow, Wednesday 12 October. The whole school will be participating. The lessons are 45min long and the swim program will be running for 8 days Monday to Thursday in weeks 2 and 3.

In the last week of last term, we had a visit from the Police Youth Liaison Officer. The students enjoyed an informative talk, complete with demonstrations about personal space, road safety and cyber safety. Here's what Isla had to say when she wrote a recount....

On Tuesday a policeman came to our school. His name was Senior constable Harrison. He talked about stranger danger, road safety and cyber safety. He told kids to come up and help him do things. I had so much fun.

**Our Kindergarten orientation program for
