PRINCIPAL'S REPORT

Kindergarten Orientation

It was lovely to meet our 2017 Kindies last Thursday. They will be at school every Thursday until week 8, getting used to the routine. If you know of anyone who missed the start of it, it's not too late. Get in touch with the office, fill in an enrolment form and come along. They are still more than welcome.

Swimming Program

The swimming program got off to a great start yesterday, with everyone remembering their swimmers. Congratulations! I am really impressed to have every child attending. This is a great opportunity to learn new skills. The children have been broken into three groups by the expert coaches at Tweed Aquatic Centre. The highest group are practising their strokes, doing laps and the lower groups are learning some swimming basics. Well done to the students on their good behaviour!

Your child's health

We always welcome information from parents about your child's health. The school asks for medical information at enrolment, but it is important that you let us know if your child's health care needs change or if a new health condition develops. Information about allergies, conditions including asthma and diabetes and other issues should be provided to the school by parents. If we already have information, we need to update it yearly. For those children who have health needs we are aware of, we have attached the necessary forms and instructions to this newsletter. If your child has medical needs and there is no form attached, please contact the office as soon as possible. We appreciate your assistance in this regard and assure you that any information you provide the school will be stored securely and will only be used or disclosed in order to support your child's health needs or as otherwise required by law.

Permission Notes

Attached to this newsletter is a permission note for the Murwillumbah Show, which is on in just over two weeks. I was hoping to have the Tumbulgum 150th Celebrations note ready also, but I am yet to find out what time we are performing. We are also participating in the Lantern Parade, which promises to be lots of fun. Make sure you keep Saturday 12 November free so your child doesn't miss out on the fun!

Canteen

Just when we thought we were organized, The Bearded Baker changed their menu slightly. The new menu is attached.

P&C Meeting

The next P&C meeting is Tuesday next week at 3:10pm. There's lots on the agenda, including Melbourne Cup Day, Tumbulgum's 150th Celebrations and keeping up with what's happening at school. We'd love to see you there!

Assemblies

A reminder that the assemblies to come to where we will be presenting an item for your enjoyment are held on even weeks. Expect to see a taste of what we've been learning in our music lessons in the coming weeks!

Thank you!

Thank you for your great record of letting us know when your children are absent. It is really important for record keeping that we are notified within 7 days of the reason for any absence. You are doing a great job!

Relieving Principal

We've begun rehearsing for our performance at Tumbulgum's 150th Celebrations. We are very lucky to have Tumbulgum local, the very talented Lissie Stanton assisting us. We are doubly lucky because Brenda (who some of you know as our scripture teacher) has also kindly volunteered to help us out. Such a talented duo, combined with Mr Graham, means we are sounding wonderful. It will be fun to watch us progress!
