PRINCIPAL'S REPORT

Tumbulgum Turns 150!

We have been practising hard for our performance on stage on Saturday 12 November. We need to meet at school at 3:45 for a warm up and to walk down together for our performance at 4:35pm.

Students have lovely Tumbulgum 150 T-shirts to wear for the performance. They are white with blue printing, just like the sticker attached to today's newsletter. If the children could wear blue jeans or black pants, that would look fantastic! We have some sequins and sparkles to give us the razzamatazz we need on stage. T-shirts will be waiting at school for your child to collect on the day.

We are also walking with lanterns we have made in the parade. We need to meet back at school by 7:20. The oval will be super busy with the entire parade meeting on our playing grounds, so meet up at the vegie garden.

The lanterns we are carrying will be made by the students on the Tuesday before the festival. Even our new Kindies will have the opportunity to make lanterns and walk in the parade with us.

The community is also making a very spectacular lantern on the Tuesday afternoon at the hall, so if you feel like you'd like to help out, join the community association down at the hall. Of course you can also make your own lantern on the day. I believe the cost is just over \$10. There are other opportunities to carry larger lanterns so keep a lookout for ways to get in on the fun!

The lanterns do not light themselves. They require glowsticks to give off light. We have been very lucky to be given the job of selling the glowsticks, which will be a fantastic fundraiser for the school. If you would like to help out, please fill in the slip on the reverse side of the newsletter.

More details next week.

Murwillumbah Show

I have had some queries about what to bring to the show this Friday. Students need to wear full school uniform, including hat and enclosed shoes. They should bring a drink, lunch and morning tea. Students will not be permitted to make any purchases on the day.

Presentation Day

At last week's P&C meeting there was a short discussion about presentation day. To be sure it is on at a time that suits our community, I have offered two selections below. Fill in the form and have your say.

School Attendance

Attached is an interesting article explaining the importance of school attendance. Even days that seem like they are just for fun play an important part in your child's schooling.
