Term 4 Week 6 – 2016

Relieving Principal: Jenni McKeon

PRINCIPAL'S REPORT

Congratulations Tumbulgum!

What a fantastic day on Saturday. The community really worked hard to put on such an amazing day for the 150th celebrations.

I was very proud of our school as they performed in front of the audience in the Community Hall. They certainly came a long way in a short time. We so appreciated the help of Lissie Stanton. We couldn't have done it without her. It was an amazing opportunity for our children to perform in front of a larger audience and they came through with flying colours. A really terrific effort!

I was also impressed with our lantern making and responsible lantern carrying on the night.

Excursions coming up

We have two great excursions coming up to support our learning in different subject areas and to give us learning experiences with other schools. The first is the Uke Day at Dungay, which Mr Graham has organised with their music teacher. It sounds like it is going to be a lot of fun.

The second excursion is a STEM Day with the combined schools from the S8 collegiate. Lots of work has been done in this group with STEM (Science, Technology, English and Maths) and it promises to be lots of fun, with the children mixed across the schools for a great day of learning.

Both permission notes are attached.

Library News

Thank you to everyone who has been hunting down missing and overdue books. Every book counts and we really appreciate you filling us in on their whereabouts.

We have purchased lots of new books for the library, which Leanne is in the process of covering and entering on the computer. The children are very excited and some of them are hot property, even before they hit the shelves!

Jenni McKeon — Relieving Principal
