PRINCIPAL'S REPORT

What a fantastic day at the Small Schools Sports Carnival on Friday! We don't have official results from the carnival yet, but the children should be proud of the effort they put in. I was most impressed with the encouragement and support they offered each other.

We have tallied up the money raised for the Cancer Council's Biggest Morning Tea at our Sports Picnic Day. We sent a cheque for \$104, which was a fantastic effort. Great job cooking the treats 3-6. I have never worked with a better bunch of student cooks. This bodes well for future cooking lessons.

Thank you to those families who have returned their general consent forms. If you haven't there is a copy attached to today's newsletter. Please fill this out and return before the end of the week.

We will be going ahead with assembly this Friday, but there will be no item, as we are saving our performances for the Education Week assembly in Week 3. This will be a special assembly and you are welcome to join us in our classrooms afterwards. We are looking forward to showing off our hard work.

SMALL SCHOOLS SPORTS CARNIVAL

Thank you P&C!

We love our utterly amazing year six shirts. They are unique and stand out among all the other shirts, but still have the traditional colours of our school.

We thank you for taking the time and effort to work and raise the funds that gave us these shirts.

We will cherish them forever!
