PRINCIPAL'S REPORT

2017 Enrolments

Kindergarten Orientation starts Thursday week 1 at 9am. Currently we have three kindergarteners enrolled, but we know there are more out there in our catchment zone. Please encourage them to enrol so that they can take full advantage of our orientation program and settle in, ready for big school. We are in a fantastic position for next year, looking at two classes with small numbers in each. This means we can offer students individualised learning, with lots of extra opportunities, such as our cooking classes, music, gardening and film making.

Ball Games Carnival

We were very lucky to have beautiful weather for the carnival at Crystal Creek last Friday. It was a fun day, with great socialising between all the schools. It was lovely to see the subjunior mixing together in their special activities and wonderful to see our juniors and seniors work together as a team to do their very best. Thank you to all the parents that came along to enjoy the day with us.

Council Elections Voting

We have checked with the electoral commission about voting on Saturday 29 October and we are not a polling booth for the Tweed council elections.

Enjoy your holiday!

There's been so much hard work and activity at school this term, everyone's earned a peaceful and happy break. Enjoy yourselves and don't forget school is back on the Monday.
