Relieving Principal: Jenni McKeon

PRINCIPAL'S REPORT

Kindergarten Orientation

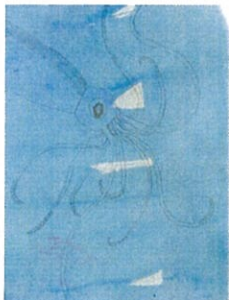

Please make sure you let anyone you know with kindy enrolments for next year, to come into school to get an enrolment form as our kindergarten orientation starts Week 1 next term. We are having sessions every Thursday from weeks 1–8 to help the children settle in, make friends, and get to know all about big school.

Values and Social Skills Lessons

The value we are focussing on this week is being responsible—caring for equipment. We are taking extra care this week with the equipment we use in class and in the playground, making sure we look after it and put it away properly. We are also looking after our own belongings such as hats and jumpers. Parents can help by making sure your children's hats and jumpers are clearly labelled so we can get them back to the right people.

Stage 3 Murwillumbah High Visit

Last Thursday, the stage 3 students visited Murwillumbah High, where they enjoyed a day of science and art. The highlight of the day was definitely the squid dissection, although they did bring back these pretty impressive artworks. It was a valuable day of learning and getting to know more about high school.

Far North Coast Public Speaking Competition

Good luck to the Ella-Jane, Jackson and Ellia, who are representing our school at Murwillumbah Public School tomorrow. Do your best and we will be proud of you!

Assemblies

A reminder that we are having assemblies every week, but only having an item on the even weeks. This helps us reinforce our values, reward students' hard work and practice our assembly manners. This Friday there will be an item.
