Term 4 Week 5 2017

Principal: Jenni McKeon

STEWART HOUSE CONCERT

What a big day we had last Thursday. Thank you for supporting your children and this worthy cause.

I was very proud of our school as I watched them on the stage. It's fantastic to see them learning in different ways. The Director, David Robson, passed on how much he enjoyed the show and our items.

We are now preparing for our end of year Presentation Day.

P&C MEETING

This Thursday, we are having a P&C meeting. We changed the day to Thursday so that everything is on that afternoon. The children will also be presenting an item at assembly at 2:30pm.

STEM ACTION SCHOOL

As part of our affiliation for the S8 group of schools, we are officially a STEM Action School, dedicated to implementing curriculum programs designed to develop students' knowledge and skills in STEM subjects as well as skills of collaboration, critical and creative thinking and problem solving.

Our schools have taken the opportunity to foster and nurture students' curiosity towards STEM and used this to develop deeper engagement and learning. We are sharing and supporting effective STEM teaching for other schools.

It is very exciting to be part of this new way of teaching and to see our children blossom as they experience new ways of learning.

SCHOOL BANKING

School banking has had to be put on hold as Mrs W takes some leave in the coming weeks. We will let you know when it resumes. Thank you for your understanding.

Concert 2017

We rocked it!

Concerts like this are important for our children's development. In dance performances, they not only learn some elements of dance, they learn about teamwork, and emotions. I was so proud to see our children having a go. For many of them there was a considerable amount of nerves and anxiety to perform. They stretched themselves through it, giving them experience to draw on in the future. Great job Tumbulgum!
