## P&C MEETING

Thank you to those parents who took the time to come to last Thursday's P&C meeting. It was a productive afternoon as we made a start on an exciting wellbeing strategy. Positive Behaviour For Learning (PB4L) is a whole school approach which is set up specifically for our school. The parents present talked about what they valued in the classroom and playground. Our next steps will be to ask students and staff the same question. We will have final voting on our Facebook page before the term is out.

Also discussed at the P&C meeting was Murwillumbah High School's LEAP program which commences next year. They are keeping the year 7 and 8 students in a home room, limiting the number of teachers who look after them, and changing the way they teach so it is more of a blend between primary and high school. It is certainly a great step forward for student wellbeing.

## PRESENTATION DAY

The P&C and staff made plans for Presentation Day, which will be held at 3:00pm on Thursday 7 December in the K1 room. We anticipate we will be finished before 4:30, when students can go home and get changed, before coming to the barbecue and dance that Possums have kindly invited us to. More details will follow.

**At rebel, we are passionate about sport and supporting our local sporting communities.**

The rebel Community Kickbacks program is a community program that passes rewards back to your team. Open to all registered sporting clubs and schools, rebel's Community Kickbacks gives clubs and schools the opportunity to earn rewards for their team.

Simply register for the Community Kickbacks program and 5% of all member purchases will go directly back to your club or school as in store credit to spend in store.

It's free and easy to join, and you can find out more information about the program here:

**K1 have fun at Kindergarten Orientation**

Miss Cleary and Leanne do a wonderful job with our pre-schoolers as they prepare to come to Kindy next year. This week included a trip to the garden. This year's Kindies and Year 1 students love having extra friends on Mondays.
