BUNNINGS SAUSAGE SIZZLE

Thank you to those parents and friends of the school who took the time to come and lend a hand on Sunday. The sausage sizzle is our one big fundraiser of the year and this year didn't disappoint, earning us around \$2000.

FILMPOND

Attached to today's newsletter is a permission note for Filmpond. While we already have your permission to publish notes, it would be good if you took the time to read about Filmpond and returned the permission note. I have already filmed 3 videos, which will be edited soon, probably ready for the new year. If you don't want your child to participate, it is important to let me know. There are some great benefits to participating, including seeing what your children (and the teachers) get up to at school. We will be using Filmpond to keep track of important projects like PBL and to just give you a better understanding of what happens at school. For instance, one of the completed films is about our Kindergarten Orientation program. These are great professional quality films, which in the past parents have had to pay for. It's also good publicity for the school. I am excited to be on board with this Department of Education Project.

NSW K-6 CURRICULUM

Today's newsletter also comes with a booklet explaining the curriculum we teach at school and how we deliver it to your child as they progress through their schooling. There's lots of important information in there, but if you have any questions, queries or concerns, please don't hesitate to ask me.

END OF YEAR

It was decided at the P&C meeting to hold presentation day at 3pm on Thursday 7 December, to conclude in time for children to get changed for the Possum's disco which will be held under the junior classroom following the presentation day. There's lots of news at this time, so keep up with it on Facebook and by reading the newsletter.
