## Our Junior Class are incredible readers

Ms Cleary and I are so excited about the progress the students in K-2 have made with their reading this year. Here are some quick facts.

Average growth for year 2 students was 10.6 reading levels.

Average growth for year 1 was 10 reading levels.

Average growth for Kindergarten was also 10 reading levels.

All Kindergarten students who Ms Cleary has taught all year are reading above the expected level for the end of Kindergarten.

All year 2 students are reading at or above the expected level for the end of year 2.

All students in K-2 report loving reading and are proud of their progress.

What a great foundation we have built for their future learning.

Congratulations students and Ms Cleary! Your hard work and great learning attitudes have reaped great rewards.

We have been invited to perform at next Sunday's community carols at Tumbulgum Hall. There is a note attached.

## Stewart House Concert Update

On top of the great night that it was, the Tweed Small Schools community also worked to raise money for the Stewart House Children's Charity. I am pleased to advise that altogether we raised \$3171.30 to be donated to this great cause.

## Presentation Assembly

This Thursday is our presentation assembly, where we acknowledge all our hard work over the last 12 months. The afternoon will kick off at 3pm, straight after school. We anticipate it will conclude about 4:15. The Possums barbecue and disco goes from 5:30-6:30, so there will be plenty of time to go home and change.

## Multicultural Day

Friday is a special mufti day, where we will see the wonderful work the senior class have been doing researching countries from around the world. All the details are on the back of the newsletter.
