Term 1 Week 3 2017

Relieving Principal: Jenni McKeon

PRINCIPAL'S REPORT

WELCOME BREAKFAST

Thank you to Alicia for this morning's welcome breakfast. She organised the food and got us all together, which was a lovely start to the year, getting children, parents, staff and community together. There was a short P&C meeting afterwards. It's exciting to be back for the new year, especially with all the great things we have going on here this year.

YOUNG INNOVATORS PROGRAM

The whole school is looking forward to a very interesting STEM unit, where the students will be working in small groups to come up with their own business. STEM is integrated, hands-on, real-life learning in Science, Technology, Engineering and Maths. They will be learning all about business plans, marketing and running their very own stall. They will have to research to find a product or service to sell at a market day. To make our market day really exciting we are joining the other seven small schools that make up the S8 and holding a joint market day here at Tumbulgum on Monday of Week 11, 3 April. Stay tuned for more information in the coming weeks.

PLAYGROUP

We are very excited to be working on starting a playgroup at the school on Thursday mornings from the beginning of March. There is a real need in the Tumbulgum community for a place where pre-schoolers can socialise and enjoy playing together, while their parents and carers spend some time getting to know each other. When I had pre-schoolers, I found the friendships I made at Playgroup really formed a wonderful support network and my children benefitted greatly from the variety of activities that were offered. We anticipate the group will run from 9am to 11am every Thursday.

SCHOOL PHOTOS

Next Tuesday 14 February is school photo day. Save your best shirt for the day. It doesn't matter if it is a polo or a sport shirt. Photo envelopes can be returned any time up to the day.

CANTEEN

Don't forget your canteen orders from the Bearded Baker for Wednesday, Thursday and Friday. Make sure you get them in on Wednesday.

Welcome Breakfast

Library is on Mondays
Don't forget your Library
books & bag for
borrowing

Book Review

Students in years 3-6 have read *Kumiko and The Dragon* and written book reviews.

Here's Josh's.

Surprises , Action, Excitement

Have you heard of guardian angels? How about guardian dragons? This book is about exactly that.

I think this is a good book for boys. I recommend this book for people who are interested in fantasy and folklore.

I loved the book. It was really good (said with heart eyes). I loved the surprises, the action, the excitement.
