Term 1 Week 4 2017

Relieving Principal: Jenni McKeon

Food Allergies

We have a couple of students who are allergic to nuts and eggs.

These allergic reactions can lead to anaphylaxis, which is life threatening.

If you could do the following, that will help keep everyone safe at school:-

- Label lunch boxes and drink bottles with your child's name.
- Remind your child they are not to share food.

We closely supervise eating and make sure that students with allergies sit with their friends away from students with allergens in their lunches, however it would minimise danger if you could

PRINCIPAL'S REPORT

SOCIAL SKILLS AND VALUES LESSONS

Students have settled in well to the new school year, with good understanding of the school rules and values. This week we are focusing on being involved, making sure that everyone is included. It is lovely to see them all playing together at break times.

YOUNG INNOVATORS PROGRAM

The students' minds are busy ticking over with some fantastic ideas for their businesses. We are learning lots already about what makes a product or service a good choice, especially if money is a factor. Older students have been allocated groups for the program and we have discussed the importance of our roles as team members, being respectful, responsible and involved. We will soon embark on learning what a business plan is and finding out all that we need to know to start our businesses.

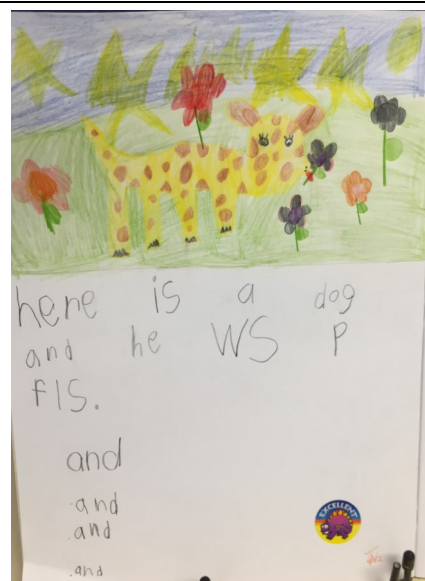

PLAYGROUP

Playgroup is starting Thursday 2 March at 9:00am to 11:00. We will be putting out flyers next week, but if you would like to sign before then, see Desley in the office.

SCHOOL BANKING

Don't forget banking on Wednesdays.

Relieving Principal

Some beautiful writing from Lulu in Kindergarten. Great work!

**BEARDED BAKER CANTEEN EVERY
WEDNESDAY, THURSDAY & FRIDAY.**

Please write students canteen order on a brown paper bag with correct money inside. Both **Thursday & Friday** orders must be at school on **Wednesdays** marked for Wednesday, Thursday or Friday Canteen.

Swimming Champions!

Congratulations to Tahlia and Jackson who last week competed in the competition against 10 other Tweed Small Schools and did Tumbulgum Public School proud. They have qualified for the next level, Murwillumbah District, where they will compete against qualifying students from across the Tweed district.

We wish them luck for Thursday's comp.

Reading together

The senior and junior students have been enjoying the time they spend together. One of the activities that benefits both groups is paired reading, with students gaining reading skills and confidence, as well as social interaction skills.
