Term 1 Week 6 2017

Relieving Principal: Jenni McKeon

PRINCIPAL'S REPORT

SOCIAL SKILLS AND VALUES LESSONS

The focus this week is on being responsible and cleaning up after ourselves. Whether in the classroom or the playground, it is important for students to learn this skill, which helps them be more organised and care for property. It also teaches children to respect people's differences, when personal preferences and different priorities sometimes test relationships.

YOUNG INNOVATORS PROGRAM

This week we are focusing on our business plans.

PLAYGROUP

Playgroup starts this Thursday 2 March at 9:00am to 11:00. We will be spreading the word around Tumbulgum this week, but if you would like to sign up, see Desley in the office. Looking forward to seeing some of you and some new faces too!

ASSEMBLY

Thank you to those parents and relatives who came to our assembly on Friday. We loved having you to show off our dancing and singing too. A reminder that there will be an item from each class at the Week 10 assembly.

PLAN REPORTS

Students in K-2 will receive students progress reports today. These are part of the Department of Education's system of tracking student progress throughout their schooling. The assessments undertaken help teachers plan for and cater to your child's individual needs. The report also gives you ideas for how you can help your child's learning at home. Assessments were done earlier in the term, so your children have made even more progress since then. If you have any questions about these reports, please ask Ms Cleary, who would be more than happy to talk to you about your child.

PARENT HELPERS

If you would like to be more involved at school, or would like to contribute to our learning program, we would welcome your help in our classrooms. Whether you have a special talent or could help listen to students read or assist with their writing, you are always welcome.

Jenni McKeon
Relieving Principal
