## PRINCIPAL'S REPORT

### SOCIAL SKILLS AND VALUES LESSONS

This week in social skills lessons we are focusing on being responsible and following directions. It is important to follow directions at school because it keeps us safe, helps us learn and makes sure we all have fun.

### YOUNG INNOVATORS PROGRAM

This we are looking at how we can promote our businesses.

### PLAYGROUP

Playgroup got off to a great start last Thursday, with three carers and 8 children! It was lots of fun to see the little ones playing in our playground. We look forward to others joining in. If you know anyone who might be interested, it is only \$2 per family per week. It runs below the K-2 room from 9:00am to 11:00.

### HIGH SCHOOL TRANSITION

Yesterday the Murwillumbah High School principal Peter Howes visited the school to talk to our Stage 3 students. He was accompanied by the Year 7 Advisor for 2018 Mrs Liz Robson and two year 8 students. It was a great opportunity for the students to learn more about how high school works, ask questions and get better acquainted with the faces they'll see around high school. We are looking forward to a number of exciting activities that are planned with the high school throughout the year .

### PARENT TEACHER INTERVIEWS

Each year we offer families the opportunity to have a formal meeting with teachers to discuss student progress. This year, we are holding those meetings in Week 10 of this term to facilitate communication between home and school. This will be followed by parent reports in Terms 2 and 4. Further details about booking your interview time will follow in the coming weeks.

### KINDY PHOTOS

Keep your eye out for photos of our Kindies in the local papers. The Northern Star will be publishing a photo on Wednesday 22March and the Tweed Daily News will be publishing photos on Saturday, 25 March.
