PRINCIPAL'S REPORT

I am excited to inform you that I have been appointed permanent principal to Tumbulgum Public School. This is great news as it means we can work on plans and goals with confidence we can see them through. I am very much looking forward to continuing to work with the great community here, especially as we begin our next planning cycle. I have really enjoyed my time as relieving Principal at the school and thank you for your support. I look forward to working together in the future.

TERM 2 2017

Term 2 Week 3	Tuesday, Wednesday, Thursday 9-11 April—NAPLAN testing years 3 and 5
Term 2 Week 4	Friday, 19 May— Market Day at Burringbar Public School—Public welcome from 11:00am—1:00pm.
Term 2	Monday, 5 June—Life Education visit

MARKET DAY

Market Day has been rescheduled to next Friday. This will be great to have the children sell their goods. Unfortunately, we have had to move the day ready for a large number of visitors. The children are excited and looking forward to the day. We hope you can support them by coming along to Burringbar and spreading the word to family and friends.

HATS

It is important that students wear hats to school every day. We have programmed sport and fitness sessions for Tuesday, Wednesday and Thursday, but we might also do outdoor activities on other days.

THANK YOU

A big thank you to Carool Public School, who held a muft day for us to help us replace some of our gear. It is greatly appreciated when fellow schools look out for each other.

Thank you too to the View Club who donated \$100, which we will use to buy toys to play with at lunch

A big thank you to Uncle Paul Barragun, who performed a traditional smoking ceremony at the school last Thursday. He performed the ceremony to heal and cleanse our land after the flood. Paul, a Bundjalung man, taught the students about the plants, the beliefs and some of the language. This was a wonderful experience for us all and we greatly appreciate it.

There is some great new equipment in our sports shed. Here's what Josh has to say about it:

The new sports equipment is amazing and fun to play with. After the flood all our old equipment either floated away or got so muddy we could no longer play with it. The kids love the blow up balancers. Even though they have fun with them, they are can be a little bit too exciting.

Isla says :

The best things are the dinosaur toys and the new mats.

Jackson says: The spinning plates are fun to play with because they're challenging and it's fun to steal other people's plates.
