## EXCURSIONS

Wow! What a great time was had last week as we left the school for some outdoor learning. The junior class had a fantastic day out at Byron Bay, with great behaviour and lots of learning. The senior class were an absolute pleasure to take away and did some amazing learning while they were at it. Some of their most important learning was done as we joined forces with the students from Fingal Head. It was really wonderful to see the students working together. Catch up on the highlights at our week 5 assembly.

## PUBLIC SPEAKING COMPETITION

All students will present speeches to their class next week as part of our English program. One student from each of Stage 1, 2 and 3 will be chosen to represent the school at the Far North Coast Public Speaking Awards. You can hear our representatives give their speeches at week 5 assembly.

## SWIMMING SCHEME

Attached is the permission note for this year's swimming school. It would be greatly appreciated if you could return the note and money by the due date to enable us to process this program before the new accounting system takes effect.

## NAPLAN ONLINE

In preparation to the move to online NAPLAN testing, we will be completing a school readiness test in week 7. This is not a test of literacy or numeracy, but an opportunity for students to experience the online environment and for schools to assess our technology capabilities. There is an information sheet attached.

## P&C MEETING

The next P&C meeting will be after school at 3:15 on Wednesday August 23. We'd love to see you there.

## ACCOUNTING SYSTEM

Please note we are currently in the process of changing our accounting system.

It is important that you do not use the online payment system for payments, as we cannot process them.

**The only way to make payments is through cash or cheque at the office.**

## Kindergarten 2018

We are currently taking enrolments for Kindergarten for next year.

Do you know someone who needs an enrolment form?

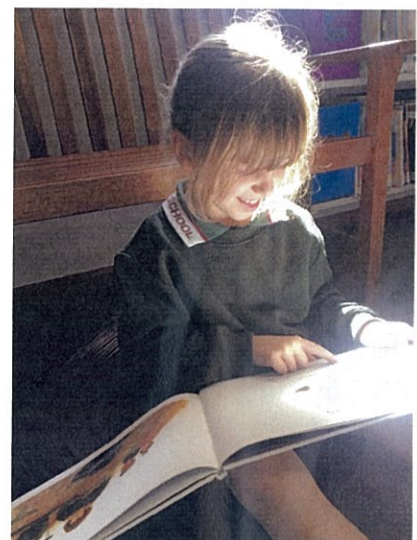

Please contact the office.

**School banking is  
Wednesday!**

This week, we began preparations for our Small Schools Ball Games Carnival to be held on Friday 15 September. Ball games develop skills which are fundamental for many sports. They improve motor skills, hand-eye coordination, timing and prediction, as well as teach cooperation, teamwork and sportsmanship. We are looking forward to a fun day with other schools. Remember, parents are welcome to come along.

Monday is library day. Thanks to everyone who remembers their books and bag!
