SMALL SCHOOLS SPORTS CARNIVAL

We are all looking forward to the Small Schools Sports carnival at Cudgen in the first week back. After the bad run we've had with the weather, we can't wait for the children to be out, competing and having fun with other schools. All the small schools will be there. There is a half day event for selected senior students on the Thursday for 800m races, high jump, long jump and shot put. Everyone will have a fun day of activities on the Friday with 100m races for all and novelty events for younger students. We are in need of helpers on the day, so if you are available to time races or help at the discus, please let me know.

K-2 EXCURSION

A permission note for students in K-2 is attached for this year's major excursion, which will be to Byron Bay, where students will extend their geography and history knowledge. It promises to be a fun day of learning, especially focusing on traditional and contemporary Aboriginal culture.

CHRISTMAS IN JULY

Tumbulgum Community Association are hosting a fun family event on the middle Saturday of the holidays. Their Christmas in July celebration sounds like a terrific night. Why not organise a table? See ad on reverse.

School reports will go home Friday.
