Term 2 Week 8 2017

Principal: Jenni McKeon

PRINCIPAL'S REPORT

PICNIC SPORTS DAY

Unfortunately the weather has not been on our side, and we have had to cancel next Monday's planned day due to the wet conditions of the grounds. The Small Schools carnival will be going ahead at Cudgen on Thursday and Friday of Week 1. All students are able to run in the 100m races. Students' ages are determined by their birthday this year. If you have already turned 8 or will turn 8 this year, you will have the opportunity to compete in field events and the 800m. These events have qualifying times and distances to meet. Students under the age of eight will have novelty events on the day.

SCHOOL CAMP

Please return your permission notes for camp. We are happy for you to pay in instalments and don't expect full payment with the return of the note. If you have any queries or concerns regarding camp, please have a chat with me.

FIDGET SPINNERS

We have been using your children's fidget spinners for different activities at school lately. You can see some of the action on Facebook. The senior class will also be doing a STEM unit based on the science of spinning in the first two weeks of Term 3.

SCHOOL REPORTS

School reports will go home next week.

BAKER EVERY WEDNESDAY,
THURSDAY & FRIDAY.**

Library is on
Mondays.

Remember your library bag!

Kindergarten 2018

We are currently taking enrolments for
Kindergarten for next year.

If you know of anyone with children
wanting to enrol, please ask them to get in
touch with the school.

Our orientation program starts in August.

We've been in the vegie patch with some great seedlings donated by Cranneys Nursery.

AWARD WINNERS

Congratulations to these students who received awards last week.

Class Awards: Ms McKeon— Tahlia
Ms Cleary— Lulu

Value Award: — For being responsible
— Jackson

Get Your Geek On!

Many jobs in the future will require people with coding skills. So if you think creating an animated presentation using block coding sounds fun (which it is!) why not future proof yourself today by booking in for one of our free Scratch coding sessions. Looking forward to seeing you there!

Scratch

SCRATCH CODING WORKSHOP

For beginners. Participants need to bring their own laptop.

If you don't have your own laptop ... no problem, just let us know when you book in and we can arrange one for you as we have 2 laptops to share! Bookings are essential.
