## PUBLIC SPEAKING COMPETITION

Congratulations to Jackson (Stage 3), Josh (Stage 2) and Ellia (Stage 1) who will represent our school at Murwillumbah next month in the Far North Coast Public Speaking Competition.

## WEBSITE

Have you checked out our website lately? It's got some great new pictures and writing samples for you to look at with your children. See what we've been up to at school!

## WOOLWORTHS EARN AND LEARN

Don't forget to keep collecting the stickers for Earn and Learn. We have got our collection box up at Tweed City. We also have a box in the foyer for collecting them. Thanks to Lulu's mum for being proactive!

## ROCK & WATER

Ms Cleary and I are very excited to see the children start learning with the Rock & Water program. I have included some information about the program on the back of the newsletter. Your children are enjoying the lessons and I'm sure would like to share some of what they've learned about with you. If you have any questions about it, please ask Ms Cleary

## FACEBOOK

Have you ever noticed the ratings on a Facebook page? If you could leave a review on our page, it might help others get to know the great things about our school.

## SWIMMING SCHEME

Thank you to everyone who has returned their permission note and payment. If you have not yet done so, please do so ASAP as we need to finalise payments before the new accounting system takes over.

## P&C MEETING

The next P&C meeting will be after school at 3:15 next Wednesday August 23. We'd love to see you there.

## ACCOUNTING SYSTEM

Please note we are currently in the process of changing our accounting system.

It is important that you do not use the online payment system for payments, as we cannot process them.

**The only way to make payments is through cash or cheque at the office.**

Each week as part of PDHPE lessons, the children have been taking part in the Rock & Water program. This program promotes self-awareness, self-confidence and social functioning. The students undergo a journey of self-awareness as they learn about responding to life with either a 'rock' or 'water' attitude. They learn about verbal and emotional expression, identity development, physical boundaries, personal safety, emotional regulation and how to respond to aggressive tendencies in both themselves and others.

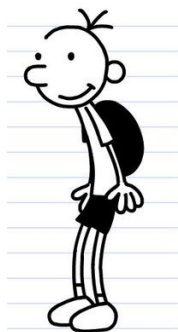

It's Book Week!

We're celebrating on Thursday
