**Term 3 Week 9 2017**

**Principal: Jenni McKeon**

## **FAR NORTH COAST PUBLIC SPEAKING**

Congratulations to our three representatives at the Public Speaking competition last week. Jackson, Josh and Ellia did a wonderful job representing our school and I am sure they will be even better public speakers after the experience.

## **PERMISSION TO PUBLISH NOTES**

Paul, who ran our wonderful school camp to Stradbroke, is asking if you could sign the image consent form attached if you have no objection to him using photos with your children on his website. If you would like to see the photos he wants to use, I would be happy to show them to you.

## **YEAR TWO MOVING TO THE SENIOR CLASS**

Year 2 have begun transitioning to the senior class and will be coming into my room full time next term. This gives Kindergarten and Year 1 some extra time to really consolidate their skills before next year's Kindies start. It allows year 2 to get used to the routine in the senior class. And all the senior class are really happy to have some new friends to contribute to class lessons.

## **SWIMMING**

The children are loving their lessons and making great progress. Well done on remembering their gear!

## **BALL GAMES CARNIVAL**

I am so impressed with the progress we have made with our ball skills this term. We are looking forward to the carnival with the other small schools this Friday. Parents are most welcome to join us in Murwillumbah.

## **Garden Competition**

Well done! We came second in the Murwillumbah Garden Club's School Garden competition. We'll have to figure out a way to tame those pesky cabbage moths. We have \$50 to spend on new garden gear and plants at Mitre 10. Great job everyone! **A special thanks to XXXXX Nursery who donated our seedlings.** Can't wait for those artichokes to grow.

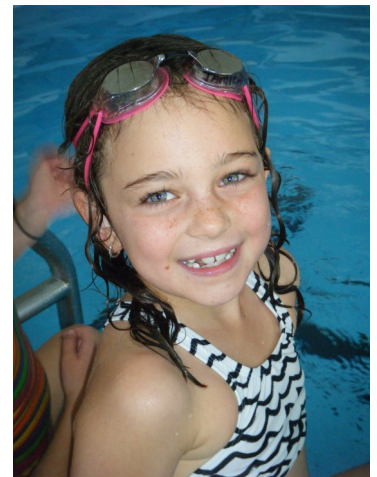

When I was under water, I could see! I saw legs and bubbles and water! - Toby

Splash! I dived straight in the water. "I'm in the highest group again!" I said to myself. I love swimming. It is one of my favourite things to do. That's why I'm so good at it. Swimming lessons go so quick. I wish they went longer! - Isla
