Term 1 Week 7 2018

Principal: Jenni McKeon

Run 4 Fun Colour Explosion

The children are training hard for their cross country run and this year we are going to hold it as a super fun run with colour explosion. This is a great fundraiser, where the children can get sponsored for running. There's an online collection point for those of you who use social media which makes donations from distant friends and relatives easier. We're super looking forward to this one.

Book Fair

One of the most fun days of the school year is nearly upon us. Book fair is a great day, where we get to look at and buy awesome books. There's also stationery and nicknacks as well. This year our theme is **Paws For Reading** and we are combining it as a thank you to Story Dogs who do such a great job with our school. There are great prizes to be won and I already have an entry for our 'Pets reading competition'. Our library is going to be such a fun place to be. All details about Paws for Reading are on the back of the newsletter.

Student Wellbeing Officer

Tonight I will be attending the Tumbulgum Community Association meeting to explain the need for this role at our school and the opportunity to have a significant amount of funding from the Department of Education if I can get community funding. I'd really appreciate your support at the meeting.

Playgroup

We currently are having difficulty getting numbers for Thursday, so was wondering if there was a day that was more suitable for our families. If you have a preference, please let us know. I will also be talking about this at tonight's TCA meeting.

Quarry Excursion

After the disappointing wash out of last week's excursion, we have rescheduled the quarry for next term. We will be going to the quarry on 8 May,

TERM 1 2018
