Term 1 Week 9 2018

Principal: Jenni McKeon

Parent Teacher Interviews

Each year, at the end of Term 1, we conduct our parent teacher interviews. These are important to ensuring your child's best educational outcomes. Attached is a yellow form which you need to fill out and return to school as soon as possible. The interviews are 15 minutes and will involve your child as part of the interview process. We will allocate times based on the order in which we receive the returned slips.

Book Fair

Wow! What an amazing response to the "Pictures of your pet reading" competition. We had lots of entries and each entry received a ticket into the draw for a \$20 book voucher. The lucky winner was Isla.

Congratulations also to Mia and Flynn, who also won \$20 vouchers to spend at book fair. Mia won the Story Dogs raffle. Our story dog Darcy was quite impressed with our fundraising efforts. We raised close to \$30 for Story Dogs. It is lovely to welcome him back in good health after his leg operation earlier in the year. Everyone who bought a book at the fair got a ticket in a lucky book prize and Flynn was the happy winner.

What a great time we had today. Book fair will be around until the end of the week. We are packing up on Thursday, so if you missed something today, there is still a little time to make your purchase.

Far North Coast Dance Festival

As we start preparations for our Term 2 performance with Fingal Head Public School, we are needing to visit them to practise our dance together. I have attached a permission note which should be returned by this Thursday. The cost of this bus is being generously covered by the P&C.

River Barbecue

I'm hoping to catch up with some of you at tonight's barbecue and get together on the riverbank (hall if it is raining) as the TCA host get together to remember the last 12 months. It would be great to see you there.

Run 4 Fun Colour Explosion

It's getting closer and the excitement is building. Have you registered for fundraising yet? These funds will go to our P&C who will make significant contributions to our children's schooling this year, especially through the Student Wellbeing Officer program and our major excursions. The Run 4 Fun Colour Explosion is on Wednesday 11 April.

Thank you Robyn!

What a great morning we had last Thursday when our neighbour Robyn Preston visited the senior classroom and told us all about an interesting old signal flag she had found in a suitcase. Turns out the flag had been signed by army officers back in World War I. She had done her own research and shared this with the class. Then we got to work and found out more about them (and even some of our relatives) by using the National Archives of Australia database.

Thank you Alicia!

As part of our Harmony Day celebrations, Jorja joined her mum Alicia to show the school two dances from Vanuatu. We watched a slide show that told the story of Alicia's great grandma. We also got to colour in turtles drawn in the style popular to Vanuatu—sand art.
