## Parent Teacher Interviews

Ms Cleary and I are looking forward to talking with parents and children about their progress and achievements at school. Most parents have booked their interview times, but if you haven't please ring the school so we can have everyone scheduled before the end of term.

## Book Fair

What a great day! The children had lots of fun. The entries in our competition are now looking great in the library. We sold over \$1000 worth of books, which shows how much we love reading! Bookfair earned the school over \$300 to spend on books for school. This year we are putting the funds towards a reading program that works with our library system to ensure quality literature is being read during our literacy sessions. Thank you so much for your support. The children really do love the special day.

We raised \$36 for Story Dogs in our raffle.

## Far North Coast Dance Festival

Thank you for returning your permission notes to attend Fingal Head Public School this Thursday. Fingal have kindly offered a sausage sizzle for lunch, (there is no charge) so we will be doing some socialising as well as practising our dance. It is important to get some time together practising, so we have a polished performance for the Far North Coast Dance Festival next term. This is a whole school performance and the children are enjoying putting it together, especially as Miss CK incorporates gymnastics into our circus-themed performance. If you haven't returned the note, a copy is attached to this newsletter.

## Week 10 Assembly

We should be back in time on Thursday to still have our special assembly with items from both classes. You are welcome to come along at 2:30pm.

## Senior Class Camp

Following discussions with a number of parents, I have attached a survey for the senior class. It is important when planning these events that we take every family's circumstances into account, especially as we really need every child to attend for the excursions to work.

## Run 4 Fun Colour Explosion

Wow! We are doing an amazing job with our sponsorship for next week's Run 4 Fun event. Some children are still a little confused about signing up, so we've attached a copy of the sponsorship form to explain the procedures. All money collected needs to be returned to school by the end of the first week of next term.

Funds will go to our P&C who will make significant contributions to our children's schooling this year, especially through the Student Wellbeing Officer program and our major excursions. The Run 4 Fun Colour Explosion is on Wednesday 11 April.
