Walk Safely to School

Day

Tomorrow is Walk Safely to School Day. I will meet students on Riverside Drive at 8:30am, at the bridge and we will walk safely to school together, reinforcing road rules and safety. This is an opportunity for all of us to think

about road safety, especially for our students. Residents have asked me to remind parents of the 40km/h speed limit on Riverside Drive and around the school during pick up and drop off times. When you drop your children at school, they should get out of the passenger side of the vehicle onto the footpath under adult supervision. Please be mindful of our neighbours when parking your car, especially of an afternoon, and respect the bus zone. Children riding bikes and scooters must wear helmets and are not permitted to ride in school grounds. Riding on the footpath where people are congregated at pick up time is dangerous and should be discouraged.

Mrs Milsom

We have been very lucky this week and next week, with Miss Rechae Milsom joining us at school. Mrs Milsom is a student teacher from the University of Southern Queensland and has brought some great ideas with her.

Toothbrushes

Children in K-2 are receiving free toothbrushes today from NSW Health—Oral Health Services.

FNC Dance

The very important note is attached. It is important we have permission slips returned by next Wednesday. Your children are very excited about performing.

Fees

We are very aware that we are currently asking for payment for two excursions (our major excursion to Brisbane and the FNC Dance Festival, which we are subsidising). We are also providing your children with other enriching activities, which we have managed through grants (sports coaching), volunteers (kung fu and Story Dogs) or by the offer of no-cost visits, such as the Hytec Quarry, State Library and Lucas

TERM 1 2018

Term 2 Week 4	Friday 25/5—StoryBoard author visit Friday 25/5—District Cross Country
Term 2 Week 5	Thursday 31/5—State Library Visit with Condong Public School 2:30—special assembly 3:15—P&C
Term 2 Week 7	Tuesday 12 June—FNC Dance Concert. 7pm -8:15pm Rehearsal bus leaves school 8:00am
Term 2 Week 9	Tuesday 26 June—Brisbane Excursion 8am- 5pm

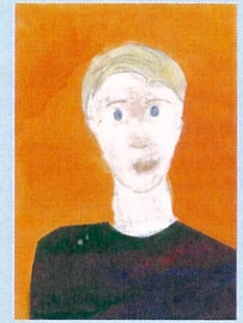

Proudfoot. We try to spread activities out so as not to be a large drain on family budgets and anticipate no further costs until Term 3. We have attached a fees report with this newsletter. We have highlighted outstanding fees. These include unpaid book packs (which don't fully cover the costs of school texts and equipment), district sports entries, and the Brisbane excursion. Please don't feel that we are hassling for money, however we want you to be aware so that you can budget. If you are unable to pay the full amount, we are happy to accept instalments (as little as \$5) each week if this helps with your budget.

Please return permission slips by the due date or before as these are needed for organisation. If you need extra time to pay indicate on the note or contact us in the office. We are happy to help.

District Cross Country

If your child is attending District Cross Country next Thursday, please make sure they report to the teacher in the Dungay PS tent. We are part of the Tweed Valley Community of Small Schools and have agreed that that teacher is our supervising teacher for the event. Our SLSO Leanne will be onsite on the course.

Jenni McKeon - Principal

Do you recognise these children from their self portraits?

The Child Oral Health Service would like to remind parents and carers of the importance of regular, supervised oral hygiene.

- When children start school they are often keen to be as independent as possible. Most children don't have the skills to brush their own teeth well enough to prevent decay until age 8-10, depending on their level of dexterity.
- Thorough brushing twice per day prevents significantly more dental decay than brushing once per day or less often.
- Help your child gently brush their teeth and gums twice per day with a small amount of fluoride toothpaste.
