Term 2 Week 1 2018

Principal: Jenni McKeon

Welcome back to second term! What an exciting term we have planned! We have lots going on so please make sure you keep up with the newsletter each week.

Newsletters

This term, we have moved distribution of notes and newsletters to Thursday. We hope this makes our communication with home more streamlined.

Quarry Visit

After last term's rain out of our quarry visit, we are off to the quarry next Tuesday.

Story Board author visit

In week 4 we have a fantastic visit from Byron Writers' Festival Story Board program. We are very lucky as the author they are sending us is Lucas Proudfoot. He is a Bundjalung man, with some fantastic talents. He will be talking to the whole school first thing and then later taking the 3-6 class for a writing workshop. There is no charge for this wonderful opportunity. A permission note and book order form is attached for his visit.

Term 2 Sport

This term we are doing athletics and kung fu. The athletics is funded by a grant from Sporting Schools (as tennis was last term) and will be held on Fridays. The coach is not available weekly, but the children will participate in athletics activities every week. Kung fu will be run by a volunteer from the Wu Chi School of Kung Fu No 4 on a voluntary basis. We would love to have parent helpers along to help us with these classes, which will be on Thursdays from 1:35 to 2:30 just before assembly. Come along and see what your children are learning!

Tweed Ball Series

This is the 47th year of the Tweed Ball Series run by the Tweed Combined Country Halls Association, a voluntary group that runs the series not-for-profit, with the proceeds going to the local Hall. There are nine Balls in the series this year and we look forward to meeting new and familiar faces on the dance floor.

The evenings start at 8pm and tickets are available at the door, adults \$10, 13-17 years \$5, 3-12 years \$2, this includes supper. The evening is planned to have something for all the family with no alcohol. The dances are mainly 'old time' with a few new vogue, a short set of rock'n'roll, and some old favourite line dances. The dress code is semi-formal, but many of the girls go formal. You may participate in the title dance which is a Pride of Erin, or choose to just watch. After the titles dance there is a supper break provided by the local hall included in your admission price. The evenings conclude between 11.30 and midnight. The live music is provided by the band Trilogy.

For those interested in entering the competition they need to be prepared to attend the Final Ball on August 11th 2018, and if declared the Tweed winners come to the Series in 2019. The age and categories are;

Tiny Tot Miss to 9 years inclusive

Tiny Tot Beau to 9 years inclusive

Junior Miss 10 to 14 years inclusive

Junior Beau 10 to 14 years inclusive

Matron is open aged

Senior Beau is 15 years and up

Miss is 15 years and up.

These titles are open for every Ball of the Series. There will be sashes presented to the girls and medallions to the boys, with a small gift on winning a title. There will be trophies available at the Final Ball.

There are eight Guidelines for the competition;

- Individual hall section winner is not allowed to enter in more than one title of the series in one year.
- Each entrant in the final ball must wear a sash or medallion from the nominating hall
- Winners of the above sections are now eligible to compete again after completing their reigning year.
- Individual hall committees conduct their own ball
- The final ball is conducted by the Tweed Combined Country Halls Association Inc.
- Final ball winners should attend as many balls as possible the following year as section winners to lead off their respective sections.
- Winners of the Miss Tweed section at each hall are to be given an invitation to the final ball from

T.C.C.H.A.I. This invitation is to be given to participating halls so that it can be included with the winning presentation.

Run 4 fun Colour Explosion!

The colour explosion was so fun! We got our hair, arms, legs and clothes covered in rainbow colours. I ran 2km. Of course I loved every part of it because I love colours and mess. When I got sprayed in the end I looked like Shrek the swamp ogre. I washed myself off at my mama's in her bath and after getting the green out of my shirt, the bath was as green as a tree leaf.—Josh

We had an awesomely colourful fun run. We got a white shirt, but it wasn't white in the end. We ran 2km. We got some sunglasses too.—Dylan

On the day, I was jumping with excitement. There was so many colours! Each time I ran past my teachers I got sprayed with every colour of the rainbow. I had so much fun and I can't wait to do it again.—Isla

We had so much fun. I sprained my ankle, but I crossed the finish line.—Tyson

I love to run, but I was so scared to get colour on me. I got no colour on me until the fourth or fifth lap. Crazy, right! I was so close to beating Isla. Next time I will beat her! - Joel

We were all running, racing around the track, going round and round. The other students were calling our names when we went past. We were getting tons of colour on us. We had a blast!

Getting cool?

We have plenty of used jumpers and tracksuit pants for the cooler weather. Come and see us in the office!
