**Term 2 Week 2 2018**

**Principal: Jenni McKeon**

## Major Excursion

This year's major excursion has been planned and booked. Following consultation with the community it was decided to not have a camp, but to have a whole school excursion. We have chosen to take the students to Brisbane. The junior class will be attending an incredible children's festival—Out of the Box, which has hands-on activities, theatre experiences and more for children aged 5-8 years. The senior class will be attending the Queensland Museum and State Library for some wonderful learning in Science, History, Geography and CAPA. We are very much looking forward to our day out. The permission note is attached. If you have any questions, please don't hesitate to ask.

## Quarry Visit

We had a wonderful day on Tuesday at Hytec's Tumbulgum Quarry. They were very welcoming and most informative about the quarry operations. The children behaved beautifully and we were very proud of them. We've included some great photos of the day, but expect a few more to appear on Facebook.

## Fun Run

Congratulations on returning your fun run money. We raised close to \$1100 from this one afternoon. What a mammoth effort! This money will go towards funding our Student Wellbeing Officer who will start at the end of this month. As part of the grant agreement with the department, we are required to raise \$7000 from community funds, so this is an excellent start to the kitty.

Check out the Fun Run video on Facebook!

## Coles Sports for Schools

We are sending our final vouchers in tomorrow.

## Library

A reminder to bring your library bags on Mondays. When children choose their own books to borrow from the library it helps to develop their love of reading. We encourage every child to borrow each week and really appreciate your support from home.

### TERM 1 2018

<b>Term 2 Week 3</b>	Friday 18/5—Walk Safely to School Day

<b>Term 2 Week 7</b>	Tuesday 12/6—FNC Dance Concert. 7pm- 8:15pm

## Book Club

Issue 3 is due Friday 18/5.

## AEDC

As part of an Australia wide research initiative of the Australian Government, we are required to complete a census of early childhood development. This concerns only students in Kindergarten. We have attached a note which explains this fully to you. You need to do nothing, but let us know by next Thursday if you do not want your child included in the census. Otherwise, your child will automatically be included. Your child need do nothing. It is up to teachers to complete the data and does not involve any extra testing of students, just their regular classroom activities.

## FNC Dance Concert

A friendly reminder that we need permission notes for the FNC Dance concert returned. Also, see the info about buying tickets to our performance on the reverse of this page. This is a popular concert, so make sure you get in early for your tickets. It will be a great night!

*Jenni McKeon - Principal*

## Quarry Visit!

What a great day was had by all!

## FNC Dance Concert Tickets

### On sale from tomorrow!

Use the link below to order your tickets.
