Term 2 Week 4 2018

Principal: Jenni McKeon

Student Attendance

Student attendance at school is an important issue for all of us on a number of fronts. I have attached an information sheet for parents so that you can understand your obligations and requirements under the education act. I am most grateful to those parents who support the school in this area by ensuring their children are at school on time each and every day, as well as let us know in a timely manner of any absences for illness or to attend doctor's appointments. If you have any concerns or queries about student attendance, I am more than happy to talk with you about this.

Lucas Proudfoot

What an amazing day we had today with our visiting author Lucas Proudfoot. He entertained all the children and then did an awesome writing workshop with students in years 2-6. There were lots of laughs and some fantastic learning, especially about local Aboriginal culture.

Athletics Coaching

We have been very lucky to have a grant to pay for athletics coaching at the school this term. The teachers have been taking students for athletics skills, but this will be augmented by coaching from Sheree from Little Athletics at Cudgen, who is coming in for 3 long sessions in coming weeks on a Friday. We hope your children are inspired to continue their athletics practice at home.

FNC Dance

The organisation of this is progressing well and we are very excited that almost every child is attending. The final touches are being added to costumes and our final practice with Fingal is scheduled for June 6, when they will be visiting our school for the day.

State Library Visit

Next Thursday the senior class are in for a day of fun learning when Stage 2 and 3 from Condong Public School join us. We have some sport and maths activities planned before a special show from the State Library. There is no charge for this visit.

Term 2 Week 9	Tuesday 26 June—Brisbane Excursion 8am-5pm
Term 2 Week 10	Friday 6 July 2018.—Last day of term

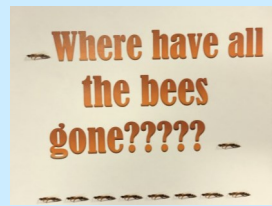

District Cross Country

Congratulations to Sid, Lolama, Flynn, Mata'afa, Isla, Jackson, Jorja and Lalau who attended the District Cross Country at Murwillumbah on Wednesday. All students represented the school with great behaviour and ran their best. Events such as these, where our students compete against students from other schools is important in their development of particular skills such as running, but also in learning about competition and getting along with others and in the world. I'm very proud of these students' efforts.

Week 5 Assembly

A reminder that next Thursday we will have our Week 5 assembly where each class will present a short item showcasing some of the work we are doing in class. You are most welcome to attend,.
