Trivia Night

The Tumbulgum Community Association have been very supportive of the school's employment of a Student Wellbeing Officer. We are well on our way to reaching our \$7000 fundraising target and to help us along our way, the TCA have organised a Trivia Night for Tuesday 17th July. This promises to be a great fun night, with prizes and raffles. See the notice below.

School Hats

A number of students do not have school hats. We don't want anyone missing out on any fun activities in the sun because they don't have a hat, so please make sure they have a broad brimmed or bucket hat in bottle green.

Brisbane Excursion

We still have a number of outstanding notes for our Brisbane excursion. We have attached a copy of the note to

the newsletter so you can get it back to us as soon as possible.

Teacher Lesson Observation Project

The teachers are excited to be part of a professional learning project that is running across the S8 group of schools. This involves joint lesson construction and then teaching and observing other teachers implement the lesson in different schools. We are particularly focusing on catering to individual student needs in mathematics. It means we will have some guest teachers at our school in the coming weeks.

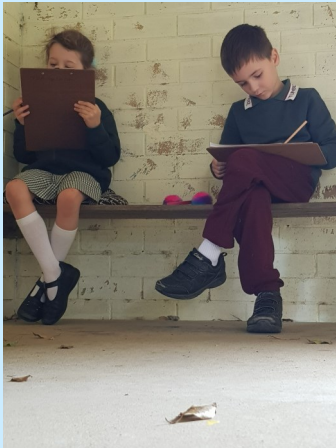

Kindergarten 2019

If you have children ready for school in 2019, we'd love to get your applications in so that we can contact you when we have fixed dates for our orientation program.

Preschool programs

As part of our Student Wellbeing program, we are looking to bring back playgroup and run a kinder music program. We would love to know if you can come along and any suggestions you have for these. Let us know by catching us at the gate, or dropping us a quick line.

Jenni McKeon - Principal

On Friday Lucas Proudfoot visited our school. Lucas is a very funny author and performer who grew up locally. He told us about his books and how he wrote them. He did nine drafts! We got to dance, play the didgeridoo and the drum. It was fun! It was even fun when he got us to write. He got us to pick two things we could see around us and then one completely random thing. We wrote our own funny stories. We're still working on them in class to make them even better. It was great to have him visit. We hope he comes back soon! - Dylan
