Term 3 Week 2 2018

Relieving Principal: Courtenay Ciric

Public Speaking

Notes have been handed out to students this week about the Public Speaking Competition. Please make sure that you read the notes carefully as they contain important information about the day each child will be presenting to their class, how long their speech needs to go for, the marking criteria for the speeches and some helpful hints. Public Speaking is an important part of our curriculum as it promotes better thinking, writing, talking and listening and enhances self-confidence and self-esteem. Please don't hesitate to contact either Ms Cleary or myself if you have any questions. We encourage all students to partake in this activity.

Rugby and Swimmng

This term we are very lucky to have Claudine and Darryl Robbie volunteering their time to run rugby sessions for our students during Sport time. Students will participate in the rugby sessions for the first 8 weeks of the term and then they will be participating in the swim scheme at Murwillumbah Pool for weeks 9 and 10. A big thank you to Claudine and Darryl, the students are really enjoying the variety of rugby activities that you are providing them with!

Meet and Greet

A big thank you to everyone who could attend our Meet and Greet afternoon tea on Tuesday. It was a lovely chance for our school community to bond and an opportunity for families to get to know the wonderful staff at Tumbulgum School.

Library

A friendly reminder that Library is on every Monday with Mrs Ciric. Students are encouraged to borrow each week and will be required to bring their Library bags in on a Monday also.

Bey Blades

We ask that students no longer bring Bey Blades to school as we are experiencing many conflicts between students over them. There are many activities set up at recess and lunch times for students to participate in.

Go4Fun® Term 4

Children aged 7 to 13 years and their families are invited to register for NSW Health's Go4Fun®. Term 4 programs will run in Clarence and Tweed Heads. Go4Fun® is a free healthy living, after school program for kids. The program encourages children to feel more confident and boost their self-esteem. Kids learn to set goals to reach and maintain a healthy weight.

Helpers Needed

We are looking for parent and community helpers who can assist with:

- * Reading in the classroom
- * Painting (outside)
- * Gardening

If you are able to assist, please let either Ms Cleary or Mrs Ciric. All helpers will be required to have a Working With Children Check and provide 100 points of Identification.

You can apply online at :

<https://www.kidsguardian.nsw.gov.au/child-safe-organisations/working-with-children-check/volunteers>

It is free for volunteers to lodge their Working With Children Check application.

We also need help with running the BBQ at the Science Fair which our school is hosting. Please let Courtenay know if you are able to assist.

Thank you

Athletics Carnival

On Thursday the 26th of July 2018 Tumbulgum Public School participated in an Athletics Carnival at Cudgen Leagues Club oval. There were about 12 other local public schools that also participated. All of the schools did very well and so did we. It doesn't matter if you came first or last, all that matters is that everyone tried and did their best. It was a good day!

By Jackson and Lalau

Well done to all our students who participated in the Tweed Valley Small Schools Sports Carnival!

Book Week

Thursday 23rd August

In week 5 on Thursday 23rd August, Tumbulgum Public School will be celebrating Book Week.

This year's theme is 'Find your Treasure'. Students are asked to dress up for the occasion (based on the theme) and bring along their favourite book to share during the reading session.

Parents and families are invited to attend our Book Week celebrations from 9-10am on this day. We will begin our day with a book parade, showcasing the wonderful costumes that the students and teachers will be wearing (siblings and parents are welcome to be in the parade too).

Following the parade students and parents will be heading out to the playground to enjoy the sunshine and participate in a shared reading experience. This is a time for students to share their favourite story and for our parents to share their favourite children's books with their children.

We are opening up our invitation to extended family members (aunts, uncles, grandparents) as we know that not all parents can make it due to work commitments.

Students will then spend the rest of the day participating a variety of fun activities that will be based around the 'Find your Treasure' theme.
