Term 4 Week 1 2019

Principal: Jenni McKeon

Welcome back to Term 4! It's a short term and a busy one. It's guaranteed to fly by.

## Junior Class Excursion

Traditionally when the senior class go off to camp, the junior class enjoy an excursion. This year the excursion was delayed and we have arranged for it to occur this term in week 4. Year 3 have also been invited as they did not attend camp. We have arranged a visit to Currumbin Wildlife Sanctuary to support our Living Things unit of work. A note will be distributed next week.

## New Sign

This week we installed new signage to the brick classroom to improve our presence on Tweed Valley Way. We also moved a sign from one end of the playground to Bawden Street. The old sign will be removed next week. It is a temporary spot for the sign as we are awaiting our new fence to be installed.

## Murwillumbah Garden Competition

The children are very excited to receive an award for "Student participation and enthusiasm" with our new fairy and dinosaur gardens.

## School Hats

Please make sure your children bring hats to school every day and that they are clearly labelled to limit the sharing of hats. This will help to stop the spread of head lice.
