Term 4 Week 4 2019

Principal: Jenni McKeon

## AFL

We are looking forward to learning AFL with Naith and Royce's dad Brett, who has volunteered to teach us on Friday afternoons for the next two weeks. It is so valuable for our students to learn different sports, especially team games and we love having our very talented sporting parents teaching us new skills.

## Community satisfaction

Each year we are required to gather feedback from the community about how the school is performing. I have a small leaflet "Two stars and a wish" to the newsletter. Your children will be familiar with this from the classroom. All you have to do is write down two things you think we are doing well and one that you would like us to do. We will be discussing the results of this and other important things like 2020 class structure at the parent meetings in week 7.

## Raffle tickets

We've attached a booklet of raffle tickets for each family to the newsletter. Please return the ticket butts (with names and phone numbers) and money to the office by Wednesday November 27. We have amazing prizes—see the back of the newsletter for details. We are lucky to have such generous sponsors and donors and hope you will support their businesses in return.
