Bunnings Sausage Sizzle

We're very lucky to have secured a Sunday for our Bunnings Sausage Sizzle, which is one of our major fundraisers for the year. We've attached a note to this newsletter for you to note what times you are available to help out. Many hands make light work, and I have always found this day to be fun and a great way for us all to get to know each other better.

Tweed Small Schools Swimming Carnival

Congratulations to those students who competed at the swimming carnival held last Wednesday. They all swam well and I was proud of their performance and behaviour. Jorja came first in the 11 years freestyle and second in backstroke and breaststroke. Isla placed third in 11 yrs breaststroke. Sid came second in the 9 years freestyle. Olivia came 3rd in junior breaststroke. Xavier came 2nd in 10years freestyle. Kortni came first in 9 years freestyle, second in breaststroke, and third in backstroke.

Going on to represent our school at District swimming (based on qualifying times) next Wednesday is Sid, Jorja and Kortni.

Well done!

Starlab Planetarium

The children had an amazing learning experience on Tuesday when the CAPA room was filled with a giant inflatable dome. We changed the venue due to the heat and everyone was grateful for the airconditioning. It was quite remarkable as the dome became a 3D screen that transported the children to worlds far away.

Soccer

We are lucky to have local soccer coach Dan Purkis taking our students for soccer lessons on Tuesday afternoons. Due to needing access to the Tumbulgum Rangers' equipment, these sessions are being held at the sports field. All families have signed the general note which gives permission for us to walk your child to "participate in school activities supervised by staff in an area in close proximity to the school grounds but beyond the normal confines of the school enclosure".

School Photos

Don't forget school photos on Monday. If you would like sibling photos, please ask for an envelope at the office.

Thank you Bunnings!

A big thank you to the team from Bunnings South Tweed who worked with the children to make a pathway through our rainforest and add a yarning circle to our front yard.

The children certainly enjoyed helping to make this area much more appealing.

Thank you too, to Mrs Ciric who organised this great addition to our outdoor learning space.

Reading Dogs

On a sad note, our reading dog Darcy retired at the end of last year. It was lovely to meet with his human Shirley this week, who passed on a poem from Darcy to us.

To My Friends at Tumby School.

*I've really enjoyed my years as a Story Dog
At the best school in the state
Where everybody knew me
And became my very best mate.*

*The stories we read together
Were special and always fun
The time with each of you was precious
And I loved you, one by one.*

*Sadly my legs have become too sore
And I need to have a rest
So keep on reading and I'll say goodbye
Wishing you all the best.*

From Darcy, your Story Dog.

Noah Dawson, Island Trees 2019 Winner Y9-10

Do you love photography?

You can be a part of one of Australia's most prestigious art competitions, the Moran Contemporary Photographic Prize. Entry is free for all school age children.
