Term 1 Week 5 2019

Principal: Jenni McKeon

Bunnings Sausage Sizzle

Thank you to those people who have volunteered to help man our stall this Sunday. If you have not let us know that you are available and would like to help, there are still places available. Ring the school and we'll slot you in.

Seniors Day Morning Tea

Last Friday we celebrated older members of our community. The students prepared morning tea for the seniors and shared some of what they have been learning at school. It was a wonderful morning and we loved having our special visitors. Thank you so much for coming.

Parent Teacher Interviews

This week we have been conducting our parent teacher interviews. Thank you to parents who have come in. If you have not seen your class teacher for an interview, expect a phone call as we like to catch up with everyone.

Tumbulgum Trivia Night

This is such a fun night and a great fundraiser for the school. Get tables of 8 together and come along. If you can't make a table, there is bound to be one you can join.

TERM 1 2019

Term 1 Week 5	All week—Parent Teacher interviews Sunday 3 March—Bunnings Sausage Sizzle
Term 1 Week 7	Wednesday 13 March—Byron Bay Writers Festival author visit—Zanni Louise Friday 15 March—Anti-bullying Day and Mufti Day
Term 1 Week 9	Tuesday 26 March—TRIVIA NIGHT Tumbulgum Tavern

Tell Them From Me Survey

Gathering data about what we do at school is important for accountability and school improvement. Students in years 4 to 6 will be participating in the Tell Them From Me Survey again this year. There is an information sheet attached and a form to fill in if you **don't** want your child to participate.

Jenni McKeon

Principal

Music in the Morning

The lovely Miss Lissie has agreed to host a before school music session for interested children. It will be held in the music room from 8:30 to 9:00 am on Wednesdays. There will be choir and the chance to accompany if you play a musical instrument.

This is a special privilege and we are expecting the best of behaviour at these sessions. We are hoping that this group of children will be able to pursue extra performance opportunities throughout the year.

If you would like your child to participate, please return the permission slip on the back of the newsletter.

The teachers are so proud of the progress our students are making with writing. We wanted to share some special pieces with you from the senior class who wrote letters to Senior Captain Ciric this week asking for a job as an astronaut.

To Senior Captain Ciric,
I would like to come to the space station. I am willing to take on your challenges. I'm strong, enthusiastic, brave and I am willing to do what it takes to get to the end. The planet I would like to visit is a stormy, red, cold different planet that has been discovered by humans. It is Mars. I will guide the crew. I will finish my tasks. I want to go to space to discover what nobody has seen before. This is why I'm going to be perfect for the job.
From Tom

To Senior Captain Ciric,
I would like to come and work for NASA on the Tumby Space Station. To see if I can go to Mars would be on thing I'd like to do. I am great at electronics and computers. My favourite planet is Jupiter because it's big and it's red. I also want to go to the moon. I'm a really good team member.
Sincerely,
Mason

To Senior Captain Ciric,
I am willing to join the Tumby Space Station!
I want to be an engineer on the space station. I would love to go to Venus.
Please can I join and lead a crew?
Strengths
Patient
Active
Courageous
Engaged
These strengths will help your team.
Sincerely,
Ellia

Dear Senior Captain Ciric,
I would like to join the Tumby Space Station. These are a few reasons why you should let me join. I'm smart, brave, willing and I have a lot of questions I would like to answer. I want to learn a lot about Venus, Jupiter and Saturn. Questions like how big, what they're made of, what their temperature is and how long it takes to go around the sun. I already know a lot about space like the order of planets, that Earth is the only planet that we know about that has living things. I love space and leading and I would be so happy to be in the Tumby Space Station.
From Isla

To Senior Captain Ciric,
I would like to become an astronaut. The way I want to do that is if I can have a trial and see if you want me or not. I would like to join the Tumby Space Club. I would like to be a captain or a leader to lead the mission to the planet called Mars. The reason I want to go to Mars is because I want to be the first person or astronaut. I want to be able to become an astronaut so I can go to Mars in an astronaut's rocket or space ship. Can I have a mission and be the leader?
Sincerely,
Kortni

To Senior Captain Ciric,
I would like to be an astronaut on the Tumby Space Station. I am great at building things. I like to solve things. I find space interesting. Saturn is my favourite planet. I also like Uranus. I want to discover a new futuristic planet. I think I would make a fantastic astronaut.
Sincerely,
Toby

Music in the Morning

I give permission for my child _____ to attend

Music sessions with Miss Lissie before school (8:30-9:00) on Wednesdays.
