## CARING FOR EVERY CHILD

Term 4 Week 1 2020

Principal: Jenni McKeon

### P&C Meeting

Anyone who is interested in joining our P&C is invited to our meeting this Wednesday at 2pm at Tumbulgum Tavern. This invitation is extended to residents of the village, as well as parents. I have attached a membership interest form to this newsletter. Even if you are unable to make the meeting, you are still welcome to join. We will be electing office bearers who will serve for the remainder of this year. Another important agenda item is determining when the P&C will meet. With no current committee, if you have any queries, please feel free to contact me.

### Term 4 Calendar

With a busy term 4 ahead of us, make sure you don't miss anything by staying connected through Seesaw and reading the newsletter.

### School Photos

Our school photos were postponed from term 1 and are now scheduled for Tuesday 3 November. A photo ordering envelope is attached.

### Reading Books

Thank you to those people who have remembered to return reading books loaned over the holidays. If you have any books at home, please send them into school.

### 2021 Enrolments

If you know of any children wanting to enrol in our school next year, please ask them to contact the office for an enrolment form.

# Kindergarten Orientation

The Department of Education have advised us that we are able to hold a modified orientation program. This is a wonderful opportunity to meet all the friendly staff and get to know each other.

We've planned the following fun activities to run from 9:00-11:30:-

Friday 23 October - Bookweek. The whole school is dressing as their favourite book character and we will be doing lots of exciting activities with books.

Wednesday 28 October - Sports Day. There will be gross motor challenges, relays and outdoor activities. Come dressed ready for action!

Friday 13 November - NAIDOC. We've prepared some Aboriginal and Torres Strait Islander activities to connect with your children as they connect to country. Wear red, black and yellow or your favourite Indigenous gear.

Wednesday 18 November - Mad Scientists. We're doing some experimenting! Get ready for action by dressing as a crazy chemist or a budding biologist - whatever takes your fancy.

Wednesday 2 December - It's Beginning to Feel a Lot Like Christmas. Wear your Christmas gear for some jolly good fun!

*If you know anyone who would like to enrol in Kindergarten next year, please pass this on.*
