At Tumbulgum Public School we acknowledge the traditional custodians of the land on which we learn, the Bundjalung people.

We pay our respects to Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander people.

As we grow and learn at school, we take the lessons of the past and work together to create a future that honours

Aboriginal and Torres Strait Islander contributions and builds connected pathways.

Term 4 Week 5 2020

Principal: Jenni McKeon

RAP meeting

Our Reconciliation Action Plan committee is meeting this Wednesday. We are keen to have your input into Aboriginal Education, especially for our new School Improvement Plan. All members of the community are welcome, not just parents from our school.

NAIDOC

This week is NAIDOC week. We will be working with the theme "Always was, always will be" by focusing our teaching around Acknowledgement of Country. We have lots of fun activities planned throughout the week, with Friday fun for everyone with Kindy Orientation. This means students are welcome to wear their Indigenous gear or something sunsafe for the sports activities.

Head Lice

Please tie your children's hair up for school. This helps to stop the spread of head lice. Checking their hair weekly is also good practice, as it can often be kept under control with conditioner and a lice comb if done regularly enough.

On the agenda:

Exciting school news

An opportunity to have your say in the
new school improvement plan

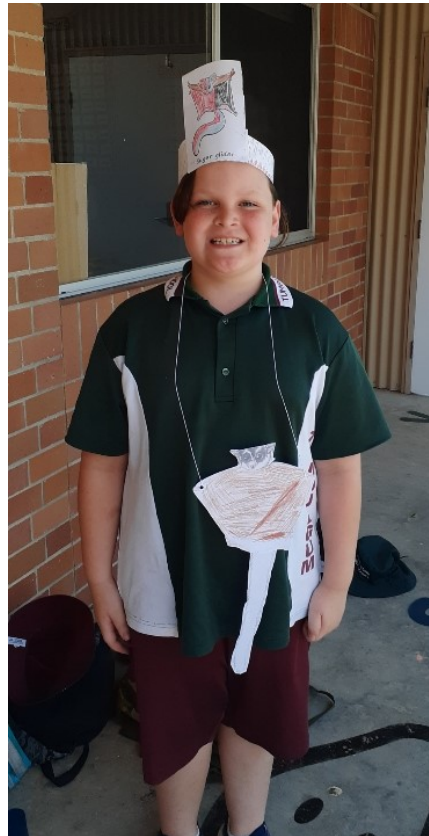

RAP Meeting

Reconciliation Action Plan

**All community members invited
to discuss Aboriginal Education**

Wednesday 3:10pm

In the playground

Last Wednesday, the whole school enjoyed a virtual visit to Kamay Botany Bay Environmental Education Centre, where they learned about native animals.

The students enjoyed making headbands with native animals on them.

They drew sugar gliders and took them outside for a fly.

They picked an animal out of a hat and researched it.

It was a great way to learn about the Australian bush.
