Term 2 Week 10 2020

Principal: Jenni McKeon

I have been very grateful to work with such a great team of professionals during this COVID time at school. Our teachers, SLSOs and office staff have gone above and beyond to care for the students and keep their learning on track. Special thanks to Mrs Falvey, who joined us as part of the Department's employment guarantee. We wish you all the best!

Positive Behaviour for Learning

Positive Behaviour for Learning (PB4L) is a framework that we use to get everyone – students, staff, families and the school community - on the same page to create a safe and supportive **learning** environment for all students. Every year we review our processes, celebrate our successes and tune our systems.

Once again this year we had excellent results with students overwhelmingly aware of our SHINE values -

Show respect

Have a go

Include others

Nurture

Engage in learning

We have made some changes to minor and major behaviour definitions. I have attached these to the newsletter. I am very happy to discuss this with you if you have any questions or suggestions.

School reports

Student reports have been sent home today. This semester's reports are slightly modified in line with the Department's advice due to school closures. If you have any questions regarding your child's report, please ask your child's teacher or myself.

Jenni McKeon
Principal

TERM 2 2020

Term 2 Week 10	Friday July 3—Last day of term
Term 3 Week 1	Monday 20 July—Teachers return Tuesday 21 July—Students return
Term 3 Week 2	Monday 27 July—Dorroughby EEC visit
Term 3 Week 3	Education Week

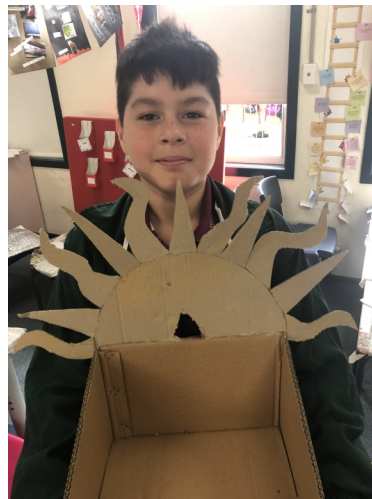

Under the Silver Sea artwork

It's STEM fun in the senior classroom this week. They are designing and making games. We can't wait to play them!

Meet Our Staff

We realised some of our families don't know some of the great things about the staff at our school. We thought we'd introduce them to you in a bit more depth.

This week: **Miss Amy**

Amy Rowe is one of our fantastic School Learning Support Officers (SLSO for short). She works 5 days a week, supporting teachers with the implementation of learning programs.

Last year Amy worked in early childhood. We were happy to help her make the move back to school aged children after she had taken a break when she had her son Archer, now seven.

Fun fact—Amy can be found bike riding on weekends
