Term 2 Week 9 2020

Principal: Jenni McKeon

Dorroughby Environmental Education Centre

Attached is a note for the visit from Dorroughby Environmental Education Centre. We are very lucky to be having them visit to do some science studies with us and Stokers Siding Public School. This promises to be a day of great learning and social engagement. Please return the note with payment of only \$5 per student by Friday 3 July.

School Banking

School banking will resume at school from next term. If you haven't joined us for school banking before, and you would like to, all you need to do is join up at the Commonwealth Bank.

School Photos

Unfortunately our school photo day was scheduled during our time away from school, when photographers were not allowed access. We have been given a new date in term 4.

Positive Behaviour for Learning

Since our return to school we have begun using stamp books to reward our students for showing the school values:-

Show respect

Have a go

Include others

Nurture

Engage in learning

After collecting a number of stamps in any value, students are given a choice of rewards.

Jenni McKeon
Principal
