At Tumbulgum Public School we acknowledge the traditional custodians of the land on which we learn, the Bundjalung people.

We pay our respects to Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander people.

As we grow and learn at school, we take the lessons of the past and work together to create a future that honours

Aboriginal and Torres Strait Islander contributions and builds connected pathways.

Beach Safety

Today we came together as a school, with surf life savers from Cudgen to teach us about saving lives in the water. First, we watched some videos about what surf life saving is, rescues and the importance of flags at the beach. We learnt about the signs we may see at the beach and signals that life savers and we can use if the surf is not safe.

Next, we went into two groups and went for a scavenger hunt, looking for toy animals to save. The life savers demonstrated how they save someone using a safety tube. Then we learnt how to throw ropes to rescue people who were drowning and how to pull them towards us. We also learnt how to tie, throw and use a safety tube. We had lots of photos taken, a film made and we received slap bands.

4/5/6 can't wait for our beach visit next week!
