At Tumbulgum Public School we acknowledge the traditional custodians of the land on which we learn, the Bundjalung people.

We pay our respects to Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander people.

As we grow and learn at school, we take the lessons of the past and work together to create a future that honours

Aboriginal and Torres Strait Islander contributions and builds connected pathways.

## 4/5/6 Beach Visit

Last Thursday the Year 4, 5 and 6's went to Kingscliff Beach with the Cudgen Surf Life Savers. The head life saver, David, picked us up from school in a little bus and took us to the club. First, we had to be sun safe with sunscreen and were given safety rashies and life jackets. We did exercises down the beach and learnt about beach safety signals. We found a huge dead puffer fish and lots of jellyfish. We looked at the endangered bird habitat.

We climbed a rock wall and swam across the creek and went to a different beach. We raced up and down a sand dune and then swam back across the creek. When we got back to the club the Surf Club shouted us chips and soft drink. It was delicious.

We then returned back to school. It was a great day. Tatum thought it was spectacular! Cohan thought it was fast paced and exciting! Haylee thought it was good! Jayden thought it was fun.
