At Tumbulgum Public School we acknowledge the traditional custodians of the land on which we learn, the Bundjalung people.

We pay our respects to Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander people.

As we grow and learn at school, we take the lessons of the past and work together to create a future that honours

Term 3 Week 7

Principal: Jen McFadyen

## Swim Scheme

Attached to this newsletter is a permission note for our Intensive Swimming Scheme to be held in Week 9. Normally we run this over 2 weeks, but we've been able to condense it into one, which has halved the cost of our bus. We have decided to fully fund this swim scheme as part of our Physical Education program. The students will have 2 x 45 minute sessions of swimming lessons for each of the 5 days of swimming. It is expected that every child will participate.

## Drink Bottles

It is essential that your child bring their drink bottle to school every day. We still have no bubblers, but provide fresh, filtered water to refill bottles.

## NAPLAN results

For parents of students in years 3 and 5 we are sending home your child's NAPLAN results with this newsletter. If you have any questions or concerns, please give me a call.

## Toys at school

We have lots of toys at school for the children to play with and we don't encourage students to bring toys in from home as their toys can get lost or damaged. We understand that children may want to show a special toy or they may have a toy that brings them comfort. We will not stop your children bringing in toys. We cannot however guarantee toys' safety at school and we do ask your children to make sure they do not disturb learning.
